

PRESIDENT: Well, it is the season for it. In the north balcony who are enjoying this I am sure are seven wives of the Nebraska Society of Farm Managers and Rural Appraisers. They are from various parts of Nebraska and we appreciate you being with us. Thank you. General File. LB 18.

CLERK: Mr. President, LB 18 was read yesterday. I have amendments pending on the bill offered by Senator Nichol and he is excused, Mr. President.

PRESIDENT: We will pass this bill. LB 411.

CLERK: Mr. President, LB 411, the bill was introduced by Senator Marech on January 24 of 1977. It was referred to the Public Works Committee. The Public Works Committee referred it to General File with amendments. The committee amendments were adopted. I now have a motion, and a motion by Senator Kremer was adopted. I have now a motion offered by Senator Mills to return LB 411 to committee for public hearing.

SENATOR MILLS: Is that 411?

CLERK: Yes, sir.

SENATOR MILLS: I will withdraw that.

PRESIDENT: The amendment is withdrawn.

CLERK: I now have, Senator, an amendment offered by you, a three page print out.

SENATOR MILLS: Okay, Mr. President, I'd ask that, with the Speaker's advice, we could bracket LB 411. Senator Bereuter is not here. He was very concerned about 411. The amendment I am sure would be approved by him but also I am unable to talk about it so I would ask to bracket the bill.

PRESIDENT: Until when do you want this bracketed? You can just make a sign, Senator Mills. February 10th. You are asking unanimous consent to bracket the bill until February 10. Is there an objection? Seeing none, it is so ordered. LB 446. Senator Brennan's bill. Mr. Clerk.

SENATOR BRENNAN: I have got the problem Jack's got, I would like permission to bracket this until the 17th.

PRESIDENT: You have heard the request. Is there an objection? Senator Brennan wishes to bracket 446 until February 17. Seeing no objection, it is so ordered. LB 660.

CLERK: Mr. President, LB 660 was a bill introduced by the Constitutional Revision and Recreation Committee. The bill was referred directly to General File on January 5th of this year. Title read. I do have amendments pending, Mr. President, and those are offered by Senator Maxey.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President and members of the body, in the absence of Senator Maxey, could the Clerk please read those amendments. I am familiar with them. I think we can act on them in good faith.
